Health & Wellness

Bereavement Support

Losing a loved one is never easy; whether the loss was anticipated or without warning, the pain is the same. Sometimes it helps to talk to other people who are experiencing the same feelings and challenges.

The bereavement session allows individuals or groups to share their pain.

When you reach out for help, this is the first step of healing.

For more information contact the New Horizons Office to connect you with our Bereavement leader 204-642-7909

Out of respect for all our members, if someone is sick in your household with a cold, flu OR Covid, please refrain from coming to the Centre.

Germs spread easily and we all need to do our part to stop the spread.

Also, please wash your hands frequently or use hand sanitizer around the Centre.

Hello December, we have arrived!

There is a sense of anticipation that surrounds us at this time of year.

Planning for Christmas, the excitement of connecting with family and friends, the decorating, the baking, and of course the arrival of snow!

Happily, Mother Nature has given us a real gift this year! Sitting writing this on November 24th and looking out my window at green grass it's hard to imagine that Christmas Eve is only one month away.

Here at the Centre, we have the Christmas Dinner/Dance on December 6th to look forward to. Tickets have sold very quickly this year.

Also, please don't forget to check the notice boards for signup sheets to help as much or as little as you can when events are being planned. We rely on our members to volunteer whenever possible to make our activities happen. To all of you who helped make this past year of events so successful, thank you.

You are truly appreciated!

Hope to see you at the Dinner & Dance, and of course, Merry Christmas!
